

10 REASONS TO CHOOSE LAGUNA BLANCA NOW

1. We Inspire.

Our educators love to teach and are dedicated, highly qualified experts in their fields.

2. We Lead.

Our students develop strong public speaking, critical-thinking, and leadership skills every single year.

3. We're Personal.

Laguna Blanca offers a teacher-student ratio of 1:8. We know more than our students' names; we know their strengths, their dreams, and how to turn those dreams into action.

4. We're Sporty.

One in five Laguna graduates plays collegiate athletics. Our athletic teams have brought home 14 league championships and have made 28 CIF playoff appearances in the past five years, winning a CIF title in swimming.

5. We Get Accepted.

More than half of Laguna Blanca students are accepted by the top 50 colleges and universities in America.

6. We Score Big.

Laguna students' average SAT score is in the top 12% nationwide.

7. We're Resource-full.

Whether art, music, technology, research, or sports—we offer state-of-the-art facilities and programs to suit and enrich every interest.

8. We Go Beyond.

Our curriculum includes travel, outdoor adventure education, international awareness programs—and even an iPad program—to develop confident, well-rounded, informed global citizens who care about the world around them.

9. We Serve.

Our students gain strong character development through school-organized service activities and 18 student clubs. They learn early on that giving back is an important part of life.

10. We Succeed... Long Term.

Laguna alumni report being better prepared for college than their peers, and they are well equipped to lead successful and fulfilling lives.

WE'RE LAGUNA BLANCA NOW.
And we're accepting applications for 2013-14.

Laguna Blanca NOW—for today's modern student. We are a K-12 co-educational, college preparatory day school. Laguna Blanca guides students to greater heights by building upon our 80-year tradition of academic excellence with new and innovative teaching methods and programs. With the introduction of the iPad initiative, the new outdoor adventure education program, the global studies curriculum, and the renovation of the library into a state-of-the-art academic research center, the School continues to broaden and enrich our students' educational experience.
